Strive to Thrive

We are excited to introduce you to the members of the new R.E.A.C.H. Parents' Guild Committee. A group of parents that have come together to support each other, foster new relationships and to be advocates for the R.E.A.C.H. program. We recognize that in this unique year many of our new parents have not yet had a chance to meet other members of the Rotherglen family. One of our first items will be to remedy this as well as introduce events, ideas and resources in the New Year. If you would like to learn more or get involved with the Guild then please contact jules@reachlegacy.com
